## ① CALL TO BE AN INTERCESSOR

God has placed a deep burden on our hearts for Panama and Latin America, and we believe their best days are ahead. We are raising up 100 dedicated intercessors to pray for two key mandates:

- **Expose and end sexual abuse among minors.**
- **Transform the public school system through discipleship.**

As a member, you'll join a private Facebook community and receive a monthly prayer calendar to guide your intercession. This is a call for passionate, committed prayer. If God is leading you, join us in this powerful movement to see lasting change.

**Sign up today and stand with us in prayer! Together, we can transform nations!**

## ② CALL TO BECOME A FINANCIAL PARTNER

In order to accomplish the grand vision that we are confident God has given us, we are looking for 100 financial partners. Areas of focus include:

Church plants, a nationwide schools program, equipping leaders, training volunteers, building houses/programs of restoration, discipling missionaries, and an active feeding program.

Although this isn't a comprehensive list, we know that God wants to use these initiatives to affect the history of Panama and Latin America. Now is the time to give and partner with us! We can't do it without you.

**Would you partner with us to see a nation and region transformed?**

*Suggested donation of \$100 a month\**
