

The King will reply, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." Matthew 25:40

Cuba And International Project

Through seminars at local churches and institutions, we teach how to start and run businesses to help overcome poverty and improve the well-being of communities.

We partner with Campus Crusade representatives, incorporating Christian principles into our teachings as we talk to students at universities and community groups. We also support mission pastors, churches, and other groups on a case-by-case basis. For example, in Cuba we helped fund over 55 pastors at mission and house churches as they work to establish new churches.

Several thousand have now attended our seminars over the past 20 years. The team has worked in Kenya, Nicaragua, Ghana, Dominican Republic and Cuba on similar outreach work and seminars.

"The feedback has been very gratifying. One church in Cuba shared how our previous visit inspired them to start several small businesses that have helped their congregation counter poverty. In Nicaragua, numerous university students came forward to accept Christ."
 - Jerry Low, Team Lead

Jerry Low, Team Lead with Mission Church Planter

The ministry is now fundraising for another trip to Cuba, scheduled for 2025. Funds will be used to support the seminars, mission expenses, local Christian representatives who work alongside the team, disadvantaged churches and pastors.

Please prayerfully consider supporting our next mission trip as we provide this Cuban community with entrepreneurial skillsets and impact it with the gospel and with hope.
